Kazuki Funatsu

CHITOSEYA NAGI

An Akihabara-based cosplay fortune-teller, and Momo's older sister. She is an expert in the yokai situation in Akihabara, and sees real potential in Yatsuki. As such, she has requested his help in managing yokai.

GOTOU

A GCUP member who wields a plasma gun.

EIGHT YEARS AGO

KIZUKI RIN

A member of GCUP. He respects his senpai, Yukimura, and also has some connection to Ichie.

HOUJOU SAKURAKO

Is in the same line of work as Yatsuki. Came to scout him for GCUP, the organization she works for. Bothered by the fact that she actually has B-cups, and not G-cups.

NOUMA

A yokai that attacked Saya and Ichie eight years ago.

EIGHT YEARS AGO

MAKABE ICHIE

Known as Ichcan, Rokka's friend also freefloating at Yatsuki's. Is actually a yokai: a nurikabe.

SUZUNARI NIA

Rokka's classmate. Sharp, athletic and incredibly cool and beautiful, she's actually a yokai: a nekomata.

KAKINOKI MITSUO

A handsome middle-aged man who serves as Nagi's loyal retainer. Is actually a yokai: a kakitoko.

SHIJOIN DOLCE AND GAPPANYA

A stuffed animal who freeloads at Yatsuki's grampa's place, and does nothing but fight with Rokka. Is actually a yokai: a hinnagami.

ITOSHIGE KIRUE

Pretty girl-gamer based in Akiba. Is actually a yokai: a jorougumo.

The Story So Far:

Nishizuru Yatsuki is a twenty-year-old virgin working part-time at a general store in Akihabara. For some reason, he's always been able to see spirits. One day, he meets the beautiful Rokka. She's super cute, and happenstance brings them very close very fast...or it would have, but Rokka turns out to be a yokai--a rokurokubi!

Since then, a ton of yokai-related incidents have occurred in Yatsuki's life! Yatsuki has started doing yokai management in order to save his little sister, Nanao, who has been stuck as a spirit, unable to return to her body.

Doing this work has led to Yatsuki receiving an invitation to join the yokai extermination group, GCUP, and he participated in one of their missions to subdue a yokai. After that harrowing incident, Yatsuki swore to become a bridge to connect humans and yokai. Following this, Yatsuki discovers that his ghostly little sister Nanao needs etheral energy (Shockergy) to get back to her body, so he decides to gather Shockergy. A yokai-subduing mission leads Nia and Rokka to encounter hostile GCUP forces. Meanwhile, Yatsuki and Ichie are chasing Rin, who's abducted Momo. As all this is going on, Ichie recalls her past with Rin, the young man who calls her his enemy.

The Cast of Monster Girls!

NISHIZURU YATSUKI

Works part-time in Akihabara. Can see ghosts and has gotten himself mixed up with a bunch of yokai.

NISHIZURU NANA

Yatsuki's sister. She's been stuck as a spirit for the past six years, unable to return to her comatose body.

AYATSUKI ROKKA

A pretty girl whom Yatsuki once helped out. Ever since, she's seemed quite taken by him. She's actually a yokai: a rokurokubi.

CHITOSEYA MOMO

A maid who works at the maid cafe Yatsuki frequents. Her maid alias is "Moru." Prone bynature to being possessed by spirits and yokai.

Yokai Field Guide!

Introducing the yokai characters that inspired the

This yokai appears near old temples. When people pass by, just as it name-moans, it cries out uwan to startle them, and while they're stunned, it kills them. One theory says that if you yell back at an Uwan, it will run away.

First Appearance: Chapter 20

UWAN

UMA NO ASHI

Legend says that this yōkai is encountered when walking down the street at night. It appears to resemble a horse's leg hanging down out of nowhere. Those who carelessly approach it will be locked away.

First Appearance: Chapter 28

KANNU-KOROBACHI

They say that when people walk through the mountains at night, this yōkai will roll kannsu (a container for boiling water) toward them. Similarly, in Yamaguchi prefecture, there's a yōkai called a kannsu-koroge, which will roll containers used for warming sake off a cliff toward their targets. They say that if this startles someone into falling, the strength of their legs will wither. Another story says that these rolling objects are not containers, but severed heads.

First Appearance: Chapter 29

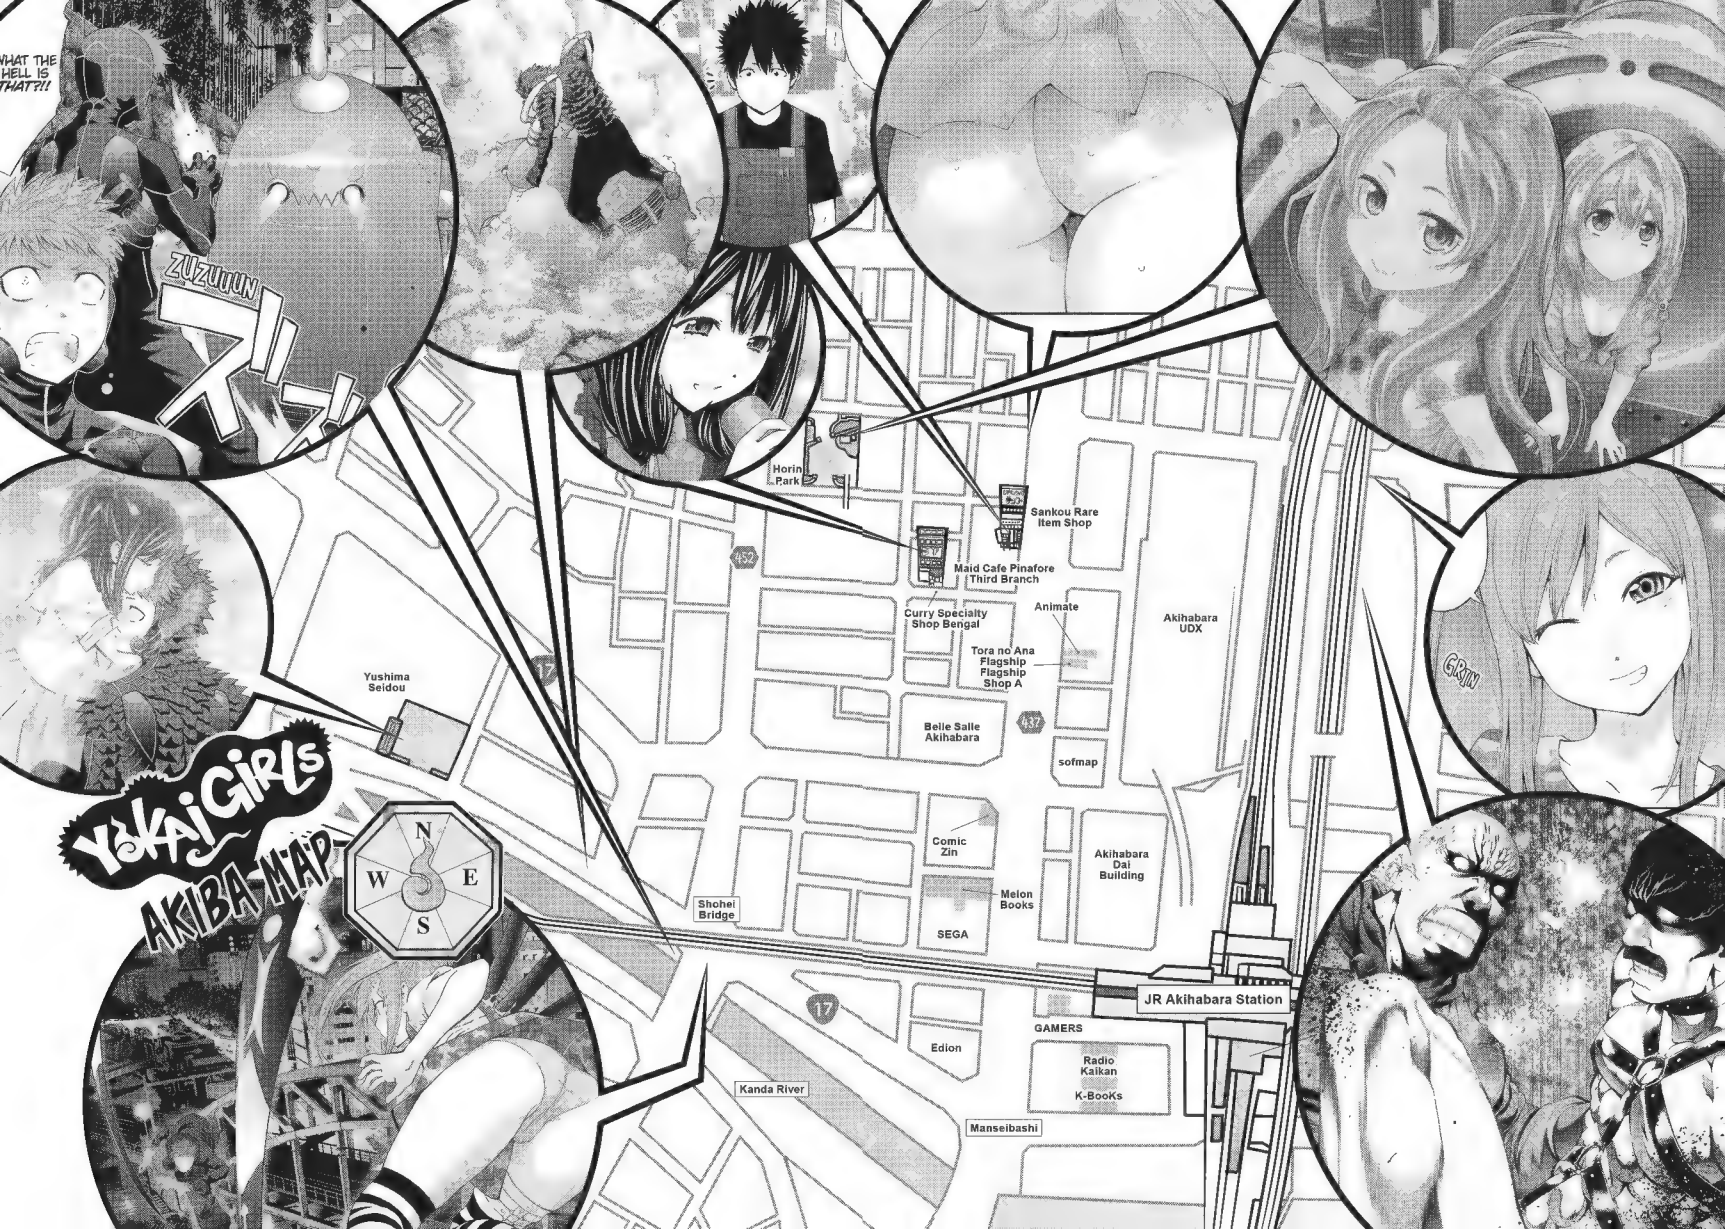

This yokai, a demonic woman with fangs and a face twisted into a mad smile, appears in the folklore of Nagano prefecture. She was originally a normal woman, but hardships forced her to kill her own baby. Rather than leaving it in the wilderness, she decided to eat it herself. This yokai is said to have been born out of that woman's resentment.

The background features a series of diagonal stripes in various shades of gray. Overlaid on these stripes are several abstract, organic shapes in white and light gray. Three jagged, starburst-like outlines are scattered across the composition: one in the top right, one in the bottom left, and one in the bottom right. The central text is contained within a black, cloud-like shape with a small tail pointing downwards.
